A heartwarming tale of terror in the middle of the zombie apocalypse.

Meet Sarah and David.

Once upon a time they met and fell in love. But now they're on the verge of divorce and going to couples' counseling. On a routine trip to their counselor, they notice a few odd things - the lack of cars on the highway, the missing security guard, and the fact that their counselor, Dr. Kelly, is ripping out her previous client's throat.

Meet the Zombies.

Now, Sarah and David are fighting for survival in the middle of the zombie apocalypse. But, just because there are zombies, doesn't mean your other problems go away. If the zombies don't eat their brains, they might just kill each other.

#### About the Author

A Facebook application once told Jesse Petersen that she'd only survive a day in a zombie outbreak, but she doesn't believe that. For one, she's a good shot and two, she has an aversion to bodily fluids, so she'd never go digging around in zombie goo. Until the zombie apocalypse, she lives in the Midwest with her husband and two cats. Find out more about the author at [www.jessepetersen.net](http://www.jessepetersen.net).
