Editorial Review

Review

'Uniquely, its success is in directing us comprehensively, not just to core Kleinian writings, but also to works that critique the core. This is a great strength since any burgeoning school must eventually break out fully from an enclave of supporters and allow itself an exposure to proper critical appraisal by others. Klein's discoveries of the depressive position, splitting mechanisms, projective identification, and primary envy, and the later developments of these ideas are, still, such radical advances on Freud's energetic metapsychology that they deserve and need continuing study, clinically and theoretically. The body of writing comprising those critiques as well as the core writings is now collected together for us. We are fortunate to have such an aide de recherche.' - Bob Hinshelwood, from the Foreword

Contents

Introduction - R. D. Hinshelwood

Preface - Harry Karnac

Part 1 The Writings of Melanie Klein- Chronological- Alphabetical

Part 2 Secondary Sources

Alphabetical by author- Articles- Books including articles from books- Reviews

About the Author

Harry Karnac

R. D. Hinshelwood is a member of the British Psychoanalytical Society, and currently holds the post of Professor of Psychoanalysis at the Centre for Psychoanalytic Studies, University of Essex. He is a Fellow of the Royal College of Psychiatrists, and previously was Clinical Director of the Cassel Hospital in Richmond. He is a past Chair of the Association of Therapeutic Communities. Professor Hinshelwood has written extensively on psychoanalysis and founded the *International Journal of Therapeutic Communities* (now *Therapeutic Communities*) in 1980 and the *British Journal of Psychotherapy* in 1984.

Users Review

From reader reviews:

Nancy Page:
