Seduced By Pamela Britton

Lucien St. Aubyn and Elizabeth Montclair hate each other-well, perhaps not hate, but something akin to a strong loathing. Lucien sees Elizabeth as the biggest snob who ever danced upon Society's floors. She is proud, arrogant, the epitome of everything he despises-and the only woman who has ever resisted his charms. He devises a plan to seduce her, only to have it backfire.

Elizabeth feels that Lucien might well be the Anti-Christ. Suspected of killing his brother for the ducal title and known for charming every woman he meets out of her skirts, Elizabeth only sees Lucien for the degenerate and rake that he is and would rather cut off her limbs than to have anything to do with such a hateful man. When the two are caught alone by a woman who wastes no time in telling Elizabeth's mother, Elizabeth's worse fear comes true-she must marry a rake.

Editorial Review

From Publishers Weekly

Though Britton's newest Regency-era romp (following *Enchanted by Your Kisses*) doesn't begin with the words "Once upon a time," it has a fairy-tale quality that will easily disarm readers. The book's unlikely Prince Charming is Lucien St. Aubyn, who's been dubbed the Duke of Death and the Rake of Ravenwood—the former because people close to him tend to die (including his father and brother) and the latter because he enjoys debauching innocent young women. The one woman he can't seem to seduce is Elizabeth Montclair, the lowborn daughter of a cobbler-turned-earl. Elizabeth loathes Lucien, but when they're caught together without a chaperone, she's forced to marry him to save her reputation. The marriage of convenience is an overused historical romance device, but Britton's plucky characters keep the story fresh with their comic repartee and sensual battle of wills. Unfortunately, the novel takes an improbable turn when Lucien is charged with the murder of his older brother. This twist allows the protagonists to resolve their trust issues, but it also makes for an overly dramatic (albeit suspenseful) finale. Still, this delightful tale outshines many romances of its ilk, and the protagonists' spry wit and comic antics will have readers on the floor in stitches.

Starred Review Lucien St. Aubyn, known as "The Duke of Death" because nearly everyone associated with him, including his brother, meets an untimely demise, is consumed by guilt. To conceal his despair, he becomes London's most notorious rake. Meanwhile, prospects for a husband look grim for Elizabeth Montclair, who is a member of the nobility only because crazy King George made her cobbler grandfather an earl in tribute to his well-crafted shoes. When Elizabeth is caught being cornered by Lucien, the ton considers her compromised, but much to everyone's surprise Lucien proposes marriage. Elizabeth eventually realizes that Lucien's licentious behavior is just a facade, but happily-ever-after isn't in the cards: charges are brought against Lucien for the murder of his brother, and the penalty is death. It isn't easy to write a tale that makes the reader laugh and cry, but Britton succeeds, thanks to her great characters: a hero who's a much better man than society (or he) believes, a brave heroine who falls in love against her will, and memorable servants and villains. A romance of self-acceptance, suspense, and humor, this book will be a hit with fans of Amanda Quick, Lisa Kleypas, and Karen Robards. *Shelley Mosley*
