Working Stiff (A Mattie Winston Mystery) By Annelise Ryan

When Mattie Winston catches her husband Dr. David Winston receiving some very special loving care from R.N. Karen Owenby, she quits her job and moves out. Mattie's best friend Izzy offers her a place to stay and suggests she'd be a natural as deputy coroner. Now, instead of taking patients' pulses, Mattie's weighing their hearts and livers.

But Mattie's first homicide call turns out to be for none other than Nurse Karen, and even though she saw her ex in a heated argument with the newly deceased the night before, she refuses to believe David could be a killer. Keeping mum about what she saw, Mattie is also left speechless by the sight of hunky Detective Steve Hurley. . .

From learning the ropes on her new job to sorting out her feelings about her ex and dealing with her growing attraction to Detective Hurley, Mattie's in deep water and in danger of sinking quickly, especially when she places herself dead center in the path of a desperate--yet determined--killer. . .

Praise for Annelise Ryan and Working Stiff

"Sassy, sexy, and suspenseful, Annelise Ryan knocks 'em dead in her wry and original *Working Stiff*." --Carolyn Hart, author of *Dare to Die*

"Make way for Mattie Winston, the funniest deputy coroner to cut up a corpse since, well, ever." --Laura Levine, author of *Killer Cruise*

"Ryan brings her professional expertise to her crisp debut." --*Publishers Weekly*

Editorial Review

From Publishers Weekly

Ryan, the pseudonym of a Wisconsin emergency nurse, brings her professional expertise to her crisp debut. Mattie Winston, a former OR nurse, leaves her Dr. Wonderful husband, David Winston, after she catches him doing the nasty with Karen Owenby, another RN. Mattie quits her job at Mercy Hospital in Sorenson, Wis., to become the deputy of coroner Izzy Rybarceski, her gay best friend. Mattie's first crime scene, a shooting death, is a shocker since, oops, Karen is the victim. As Mattie's sleuthing progresses alongside the official investigation helmed by hunky homicide detective Steve Hurley, the police haul in David as a prime suspect. Mattie wisecracks her way through an increasingly complex plot that includes two more suspicious shootings. Despite a breezy narrative that reflects the influence of TV shows like *CSI* and *Grey's Anatomy*, the book touches on such serious topics as the problem of AIDS patients and others with inadequate medical insurance. (Sept.)
