diffordsguide Cocktails: The Bartender's Bible By Simon Difford

Includes 800 new recipes.

Reviews of previous edition:

Whether you take your drink shaken, stirred, on the rocks, or neat, you will still find plenty to keep you busy at the bar with this exceedingly useful resource.

-- Library Journal

Have ice crusher. Will travel. Especially with this 500 page hardcover bartending bible tucked under one arm. A comprehensive compendium of all things gin fizz and champagne bubbly, it features not only recipes and glossy illustrations of just how to place an umbrella on a Singapore Sling, but also detailed guides to the right garnishes, glassware and tools needed for the perfect bartender's kit.

-- The Globe and Mail

Simon Difford has earned a huge and loyal international following in professional bartending circles. Discerning drinkers, amateur mixologists and professional bartenders will continue to find this 11th edition of his *Cocktails* to be an indispensable reference.

Practical and inspiring, this book contains 3000 recipes from the traditional to the new and inventive. Each easy-to-follow recipe has a color photograph of the assembled drink in its assigned glass, ingredient measures, directions, garnish, variations, plus fascinating information on the cocktail's origin.

This 11th edition includes 800 new recipes, plus:

- An A to Z recipe directory
- Detailed instructions for beginners, including all the basic skills
- Recommendations for the best equipment
- A directory of glass types
- The 14 key alcoholic ingredients, which make a minimum of 450 cocktails
- The 9 essential juices and mixers
- The 18 essential refrigerator and cupboard staples

- An index of ingredients and the cocktails they are used in
- The top 100 great cocktail bars of the world.

Editorial Review

From [Booklist](#)

Cocktails: The Bartender's Bible the quintessential reference for anyone interested in making alcoholic concoctions. Before giving the recipes, Difford provides readers with the ultimate context for bartending, with sections on "Bartending Basics," "Bartender's Kit," "Glassware," "Garnishes," and "Key Ingredients." Drink recipes are listed A-Z, with each specifying the glass, garnish, recipe, variants (if any), comments from the author, and the origin of the drink. A small color photograph accompanies each entry, while "Bartender's Tips" throughout the volume offer valuable techniques to ensure the highest-quality cocktail. A great feature of this resource is the "New/Updated" designation next to the name of the cocktail, allowing owners and users of previous editions to identify recipe variations and new additions. --Janet Pinkley

Review

This 11th edition is the product of 18 years of research by the author, and is updated with 800 new cocktails. Many have a number of variations and some have profiles that feature interesting tidbits on the drinks' historical or technical aspects... My favourite part: the rating of the drinks. They range from 1 star (disgusting) to 5 stars (excellent) with hilarious gradations in between... There is plenty of info for new and experienced bartenders alike... Cocktail, anyone? (*Canadian Living* 2013-12-17)

(star review) This is a visually appealing, easy-to-use guide for accomplished bartenders and newcomers alike. (*Library Journal xPress Reviews* 2013-11-23)

Easy to follow, straight up. (*Newsday* 2013-12-05)

The 11th edition of this boozy reference guide is the essential tome for your serious, hardcore cocktailian. (*Vancouver Sun* 2013-12-13)

A great addition to most public libraries needing some new life in their collection. (Shannon Graff Hysell *American Reference Books Annual 2014* 2014-09-01)

About the Author

Simon Difford is a drinks industry celebrity. His experience includes running his own bar, founding his own import company and establishing brands. He is a Glenfiddich Food and Drink Award winning writer and lives in London, England.

Users Review

From reader reviews:

Gerald Warfield:
