Home is Where the Army Sends You - Fort Bragg North Carolina By
Melissa Davis

Sgt. Applebottom, Mrs. Applebottom, Kristy, and Steven are an Army family. It is a very special day when the children learn that they will soon move to North Carolina. Join Kristy and Steven as they find out what Fort Bragg, North Carolina is all about! This book was designed to help children of military families become excited about moving to new places. Parents, teachers, counselors, and others can use it as a tool to help children visualize exactly where they are going, thereby relieving some of the anxiety associated with relocation. Children already living on or near Fort Bragg will find this book exciting as they read about places they have been and discover new destinations to explore.

Editorial Review

About the Author

Melissa Davis was a military child and had to relocate with her family four times. This book was written out of her desire to help other children facing frequent relocations. Melissa brings some of her personal family experiences to life through her main character, Kristy. Melissa Davis holds a BS in Elementary Education and a Master's in School Administration. Her teaching background helped her write a book that is both educational and entertaining.

Users Review

From reader reviews:

Michael Kruger:

What do you about book? It is not important with you? Or just adding material when you need something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do that will. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this specific Home is Where the Army Sends You - Fort Bragg North Carolina to read.

Andrew Howe:

Precisely why? Because this Home is Where the Army Sends You - Fort Bragg North Carolina is an unordinary book that the inside of the publication waiting for you to snap this but latter it will surprise you with the secret it inside. Reading this book close to it was fantastic author who else write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking technique. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.

Alan Robert:

Your reading sixth sense will not betray anyone, why because this Home is Where the Army Sends You - Fort Bragg North Carolina e-book written by well-known writer who really knows well how to make book that may be understand by anyone who all read the book. Written throughout good manner for you, still dripping wet every ideas and composing skill only for eliminate your personal hunger then you still question Home is Where the Army Sends You - Fort Bragg North Carolina as good book not just by the cover but also from the content. This is one reserve that can break don't determine book by its include, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your examining sixth sense already

alerted you so why you have to listening to an additional sixth sense.

Robert Murphy:

Many people spending their period by playing outside along with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by looking at a book. Ugh, do you consider reading a book can really hard because you have to bring the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Mobile phone. Like Home is Where the Army Sends You - Fort Bragg North Carolina which is having the e-book version. So , why not try out this book? Let's observe.
