Mission: Make-Over By Penny Jordan

Lucianna Stewart knew she had to change her image. Even her brothers said she needed to become more feminine. Family friend, Jake Carlisle, offered to help with her make-over. If anyone knew about sexy women it was Jake. In her dungarees, Luce might have looked like a teenager, but in her new figure-hugging clothes she looked every bit a woman. Pity the transformation would be wasted on her boyfriend—unless Jake could make Luce realise that her efforts were targeted towards the wrong man!
