Nisei Daughter By Monica Itoi Sone

With charm, humor, and deep understanding, a Japanese American woman tells how it was to grow up on Seattle's waterfront in the 1930s and to be subjected to "relocation" during World War II. Along with some 120,000 other persons of Japanese ancestry--77,000 of whom were U.S. citizens--she and her family were uprooted from their home and imprisoned in a camp. In this book, first published in 1952, she provides a unique personal account of these experiences.

"Monica Sone's account of life in the relocation camps is both fair and unsparing. It is also deeply touching, and occasionally hilarious." --*New York Herald Tribune*

"The deepest impression that this unaffected, honest little story made on me was of smiling courage." --*San Francisco Chronicle*

Editorial Review

Review

Monica Sone spent her childhood in pre-World War II Seattle, in a part Japanese, part American world. Dinner might be steak and pumpkin pie or pickled daikon, rice, and soy sauce; there was American public school during the day and the strict formality of Japanese school in the late afternoons. "I found myself switching my personality back and forth daily like a chameleon. At Bailey Gatzert School I was a jumping, screaming, roustabout Yankee, but at the stroke of three...I suddenly became a modest, faltering, earnest little Japanese girl with a small timid voice." Her memories of growing up are vivid and full of marvelous stories, showing the confusion, frustration, and enrichment of living within two cultures. These elements come together when Japan bombs Pearl Harbor and Monica and her family are sent to an internment camp in Topaz, Idaho. **Nisei Daughter** describes the loss of property and the personal insults, the barbed wire and armed guards, the dust storms, horrible food, unfinished barracks, and barren land - and the efforts of the Japanese-Americans to maintain their ethics, family life, and belief in the United States. Monica Sone is furious at the blatant disregard of her civil rights, and yet ironically, it is during her time in the camps and afterwards in the Midwest that she finally brings together the various aspects of her heritage.

Straightforward, searching, often funny, this is a highly readable account of one woman's experience living in many worlds. -- *For great reviews of books for girls, check out Let's Hear It for the Girls: 375 Great Books for Readers 2-14.* -- *From 500 Great Books by Women; review by Erica Bauermeister*

From reader reviews:

Rosemarie Cleveland:

The event that you get from Nisei Daughter is the more deep you rooting the information that hide inside words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to be aware of but Nisei Daughter giving you thrill feeling of reading. The article author conveys their point in particular way that can be understood by simply anyone who read this because the author of this e-book is well-known enough. That book also makes your vocabulary increase well. That makes it easy to understand then can go along, both in printed or e-book style are available. We highly recommend you for having that Nisei Daughter instantly.

Raymond Dixon:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their leisure time with their family, or their particular friends. Usually they doing activity like watching television, going to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Can be reading a book could be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to test look for book, may be the book untitled Nisei Daughter can be very good book to read. May be it might be best activity to you.

Kathleen Sinclair:

Are you kind of active person, only have 10 or 15 minute in your day to upgrading your mind skill or thinking skill even analytical thinking? Then you are receiving problem with the book than can satisfy your short time to read it because all this time you only find book that need more time to be go through. Nisei Daughter can be your answer since it can be read by a person who have those short extra time problems.

Annie Resnick:

Many people spending their period by playing outside using friends, fun activity using family or just watching TV the whole day. You can have new activity to shell out your whole day by reading a book. Ugh, ya think reading a book can definitely hard because you have to use the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smart phone. Like Nisei Daughter which is getting the e-book version. So , why not try out this book? Let's observe.
