**The Cambridge History of Spanish Literature** From David T Gies

This comprehensive history of Spanish literature brings together experts from the US, the UK, and Spain to survey the range of Spanish literature from the early Middle Ages to the present day. The "classics" of the canon of eleven centuries of Spanish literature are fully covered, but attention is also paid to lesser known writers and works. This invaluable book contains an introduction, more than fifty substantial chapters, a chronology of history, literature and art, and a

Cambridge Histories

### Editorial Review

#### Review

"This impressive history of the literature of Spain sets a new standard of excellence. Essential."

CHOICE July 2005

"Giles has chosen an eminent group of scholars from the United States, the United Kingdom, and Spain to collaborate with him on the project, and the result is an incisive, thorough, and varied presentation of texts, authors, currents, and movements...They negotiate the old and the new with relative ease. Their scholarly criteria are rigorous, and their subjective critical acumen becomes part of the frame. Along with the factual information that is associated with manuals of literature, this history bears the imprint of distinct and compelling analytical processes. The book is an admirable reference tool and a treat to read."

-, Edward H. Friedman, Vanderbilt University, Renaissance Quarterly

"David T. Gies...has joined with 46 other distinguished scholars to produce a seminal work on Spain's rich literary history....This outstanding reference tool is an essential purchase."

- American Reference Books Annual

"None of the previous, similar compilations in English...is extensive or inclusive enough, to compare to the long overdue contribution this terrific reference makes. It overflows with information deftly presented by some of the top international scholars."

Jasmina Arsova, University of California, Los Angeles

"David T. Giles and his fellow collaborator's Cambridge History is a long-overdue comprehensive English-language approach to Spanish Literature."

Angila Willis, Davidson College, Letras Peninsulares

#### About the Author

David T. Gies is Professor of Spanish at the University of Virginia.

### Users Review

#### From reader reviews:

##### Dawn Hicks:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each e-book has different aim as well as goal; it means that e-book has different type. Some people sense enjoy to spend their time to read a book. They are really reading whatever they consider because their hobby is usually reading a book. Why not the person who don't like reading a book? Sometime, person feel need book after they found difficult problem or exercise. Well, probably you will want this The Cambridge History of Spanish Literature.

##### Tim Walton:

What do you with regards to book? It is not important along with you? Or just adding material when you

need something to explain what yours problem? How about your spare time? Or are you busy particular person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everyone has many questions above. They must answer that question mainly because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this specific The Cambridge History of Spanish Literature to read.

**Edward Kirklin:**

Playing with family in a very park, coming to see the coastal world or hanging out with friends is thing that usually you will have done when you have spare time, and then why you don't try thing that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Cambridge History of Spanish Literature, you could enjoy both. It is good combination right, you still wish to miss it? What kind of hangout type is it? Oh seriously its mind hangout people. What? Still don't buy it, oh come on its referred to as reading friends.

**Laura Hill:**

Reading a book being new life style in this year; every people loves to learn a book. When you read a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what types of book that you have read. In order to get information about your examine, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this sort of us novel, comics, along with soon. The The Cambridge History of Spanish Literature will give you new experience in studying a book.
