Within these pages wait violent fights, disease, death, controversy, sexuality, tragedy and crime. This journal documents a hateful young man's path to darkness. Many events that occur are based on real events. You will find many moments from the authors own life sewn into the life of Arthur Gale. You can only go so far before all hope of return is lost; this book reaches that point, and goes even farther. James represented the light, Arthur is the dark. There is no hero. ### **Editorial Review**

#### **About the Author**

Onision is best known for the thousands of online videos he's performed in. He found inspiration in self-expression through making videos when he was only 15 but didn't pursue regular online video production till he had been enlisted in the Air Force for a few years. Onision was only inspired to begin writing books when he found there was an area of self-expression he had not yet tapped into. Onision puts pieces of his own life in every book he writes. There is no book by Onision that does not have tremendous meaning to him. The characters, the environments and events come from the heart, mind and even at times life of the author. Onision does not have a publisher, his books are imperfect. Putting words through a filter is like putting makeup on your face, all these flaws are part of each story, just like each story is part of the author.
