**Underdogs** By Markus Zusak

From the bestselling author of **THE BOOK THIEF**

Before **THE BOOK THIEF**, Markus Zusak wrote a trilogy of novels about the Wolfe Brothers: **THE UNDERDOG**, **FIGHTING RUBEN WOLFE**, and **GETTING THE GIRL**. Cameron and Ruben Wolfe are champions at getting into fights, coming up with half-baked schemes, and generally disappointing girls, their parents, and their much more motivated older siblings. They're intensely loyal to each other, brothers at their best and at their very worst. But when Cameron falls head over heels for Ruben's girlfriend, the strength of their bond is tested to its breaking point.

We're proud to present these novels together for the first time, and to be introducing American readers to **THE UNDERDOG**, never before published in the United States. Fans of **THE BOOK THIEF** won't want to miss reading the novels that launched Markus Zusak's stellar career.

### Editorial Review

From School Library Journal

Gr 9 Up—Fans of Zusak will not be disappointed with his early collection of stories about the Wolfe brothers, published here as a single audio work. Cameron and Ruben Wolfe are champions at getting into fights and coming up with half-baked schemes. Humor abounds as Cameron and Ruben find themselves in all sorts of mischief. It starts with a crazy scheme to rob a dentist that ends abruptly with the attractive receptionist. These stories are pure entertainment, right from the beginning. When Cameron meets the girl of his dreams, who ultimately becomes the object of Ruben's affection, the brothers who have always been loyal to each other must figure out how strong their relationship really is. Narrator Stig Wemyss brings Zusak's brilliant characters to life. VERDICT A great purchase for any library.—Betsy Davison, Cortland Free Library, NY

Review

### PRAISE FOR UNDERDOGS

"Zusak's popularity is well-deserved. He writes emotionally engaging stories with understated humor and a bittersweet style that refuses to play by straightforward grammatical rules. His earliest published works share many of the same stylistic hallmarks and themes of belonging and survival." -- LOS ANGELES TIMES

"With this compilation release of THE UNDERDOG, the rough-and-tumble adventures of the Wolfe brothers are finally all assembled. Zusak's stunning use of language and rich character development are present, while the introduction of the family framework provides additional understanding for the sibling dynamic in the later stories. . . . Appealing to fans and providing an entry point for fresh readers, this is a much-appreciated addition to the Wolfe brothers' canon." -- KIRKUS REVIEWS

### PRAISE FOR MARKUS ZUSAK

"THE BOOK THIEF will be appreciated for Mr. Zusak's audacity, also on display in his earlier I AM THE MESSENGER. It will be widely read and admired because it tells a story in which books become treasures. And because there's no arguing with a sentiment like that." -- NEW YORK TIMES BOOK REVIEW

"Zusak doesn't sugarcoat anything, but he makes his ostensibly gloomy subject bearable the same way Kurt Vonnegut did in SLAUGHTERHOUSE-FIVE: with grim, darkly consoling humor." -- TIME MAGAZINE

### About the Author

Marcus Zusak was born in 1975, the youngest of four children born to German and Austrian immigrant parents. Marcus studied teaching at university and gained experience teaching at the high school level.

Marcus began writing when he was sixteen years old, and completed his first (unpublished) manuscript at eighteen. While his writing may seem most relevant to young adults, he hopes that readers of all ages can discover meaning in his work.

Marcus Zusak lives in New South Wales, Australia.

## Users Review

### From reader reviews:

#### **Paul Evans:**

Typically the book Underdogs will bring that you the new experience of reading a new book. The author style to spell out the idea is very unique. If you try to find new book to see, this book very suited to you. The book Underdogs is much recommended to you to see. You can also get the e-book through the official web site, so you can quickly to read the book.

#### **John Mendoza:**

Reading can called thoughts hangout, why? Because while you are reading a book mainly book entitled Underdogs your thoughts will drift away through every dimension, wandering in each aspect that maybe unidentified for but surely can become your mind friends. Imaging each word written in a book then become one type conclusion and explanation in which maybe you never get previous to. The Underdogs giving you an additional experience more than blown away your mind but also giving you useful info for your better life with this era. So now let us explain to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished reading through it, like winning a game. Do you want to try this extraordinary shelling out spare time activity?

#### **John Edmondson:**

Your reading 6th sense will not betray you actually, why because this Underdogs e-book written by well-known writer who knows well how to make book that can be understand by anyone who have read the book. Written throughout good manner for you, dripping every ideas and producing skill only for eliminate your own personal hunger then you still hesitation Underdogs as good book not merely by the cover but also by content. This is one book that can break don't determine book by its protect, so do you still needing a different sixth sense to pick this particular!? Oh come on your examining sixth sense already alerted you so why you have to listening to one more sixth sense.

#### **William Luke:**

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Underdogs can make you truly feel more interested to read.
