### Editorial Review

From Publishers Weekly

This inspiring collection of essays was a 25-week PW bestseller.

Copyright 1994 Reed Business Information, Inc.

From School Library Journal

YA-Morality, manners, friendships, and love are a sampling of the subjects covered by renowned playwright and poet. Students will contemplate the art of the essay as well as the wisdom of the woman in these pithy, candid pieces that are taken from her own experiences. Funny, sad, or poignant, they all make a plea for tolerance and understanding. Angelou's command of the English language is exceeded only by her love of humanity.

From Library Journal

In this small gem of a book, Angelou, the popular poet and novelist ( *All God's Children Need Traveling Shoes* , LJ 3/15/86, among others), shares her thoughts about humankind: how to respect others of different cultures, opinions, and values as taught by universal philosophies. Annie Johnson in "New Directions" and Aunt Tee in "Living Well, Living Good" are just some of the characters Angelou uses throughout to illustrate with precision and color the respect and perseverance she values. The narratives are carefully constructed with exhilarating assurance as the reader makes the transformative journey from what she is to what she must finally be. Angelou's prose is brisk, fluid, and entrancing. This work will provide a taste of wisdom to all who read it. Highly recommended.
