Editorial Review

Review

In this updated edition of her 1998 how-to, Borg continues her more than 20-year mission to introduce senior citizens to the joys of writing their personal histories. The book, which was developed from class materials early in her workshop career, walks readers through the practical elements of writing a life story . . .

VERDICT This title is ideal for those who want some basic help in getting their life story on paper, whether simply for the benefit of friends and family or for a broader public. --**Stacey Rae Brownlie, Library Journal**

About the Author

Mary Borg teaches American history and Colorado history classes at the University of Northern Colorado in Greeley, where she also supervises student teachers in social studies and history.

Users Review

From reader reviews:

Donald Calderon:

Reading a guide tends to be new life style in this era globalization. With reading you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or their experience. Not only the storyline that share in the publications. But also they write about the information about something that you need illustration.
